BIOGRAPHY · BIOGRAFÍA

Strategy before paperwork

SHORT BIO · 50 WORDS

Valentina Novikova is a lawyer (LLB, LLM, MBA) and international business and investment strategist focused on foreign direct investment and business immigration into Canada. She founded Immigration Mindset Canada and its Health North™ method and is Co-Founder and COO of Global Venture Visa. She speaks in English and Spanish.

BIO CORTA · 50 PALABRAS

Valentina Novikova es abogada (LLB, LLM, MBA) y estratega en negocios e inversión internacional, con foco en inversión extranjera directa e inmigración empresarial hacia Canadá. Fundó Immigration Mindset Canada y su método Health North™, y es cofundadora y COO de Global Venture Visa. Da conferencias en español e inglés.

LONG BIO · 150 WORDS

Valentina Novikova is a lawyer (LLB, LLM, MBA) and an international business and investment strategist. Her work brings together corporate law, business immigration and foreign direct investment into Canada, helping professionals and companies plan an international move with the legal, financial and market questions answered together. She is the daughter of European immigrants who settled in Venezuela after the Second World War, and she later emigrated from Venezuela to Canada, where she continued her training. She is the founder of Immigration Mindset Canada and its Health North™ method, a program for health professionals who want to practise in Canada, and Co-Founder and COO of Global Venture Visa, which supports companies entering the Canadian market. A member of the International Bar Association, she has more than ten years of experience advising on international mobility. On stage she talks about women in international business, cross-border entrepreneurship and why strategy has to come before paperwork.

BIO LARGA · 150 PALABRAS

Valentina Novikova es abogada (LLB, LLM, MBA) y estratega en negocios e inversión internacional. Su trabajo une el derecho corporativo, la inmigración empresarial y la inversión extranjera en Canadá, para que profesionales y empresas planifiquen su paso internacional con todo resuelto a la vez. Es hija de inmigrantes europeos que se establecieron en Venezuela después de la Segunda Guerra Mundial, y más tarde emigró de Venezuela a Canadá, donde continuó su formación. Fundó Immigration Mindset Canada y su método Health North™, para profesionales de la salud que quieren ejercer en Canadá, y es cofundadora y directora de operaciones de Global Venture Visa, que acompaña a empresas en su entrada al mercado canadiense. Miembro de la International Bar Association, lleva más de diez años asesorando en movilidad internacional. En sus conferencias habla de mujeres en los negocios internacionales, de emprendimiento entre países y de por qué la estrategia tiene que ir antes del trámite.
